

## **Program Titles**

### **A Musical History of the Hammered Dulcimer**

We begin our journey in Ancient Persia and follow a musical path tracing the development of the dulcimer in many cultures and countries.

### **Music of Early America**

"The World Turned Upside Down" at the American Revolution! This program brings history books to life with musical photographs of Colonial days. Complimenting the secular music are representations of one of America's most studied groups, the Shakers, as well as hymns of other early settlers.

### **Dulcimers Across the Prairie**

Early settlers brought carefully drawn plans to construct their instruments in the New World. We'll meet at Plymouth Rock and follow in their footsteps across our country.

### **Celtic Treasures**

Hear the jigs, reels, waltzes and aires of England, Scotland, Ireland and Wales.
